Saidie Quinn Newara

XR UI/UX concept designer · Graphics & UI concepts

Pittsburgh, PA · official_emmi@outlook.com · github.com/pfn000 · X @SaidieQN

PROFILE

Graphics and UI/UX concept designer working across visual identity, spatial interfaces, illustration and interactive worlds. Put me in a room with a bunch of geniuses and nerds and I can quickly sketch up concepts for their UIs and UXs, then prototype them in XR.

EXPERIENCE

Code Development — Resonite

Nov 2022 – Jan 2025

Freelance & Dev Volunteer · Yellow Dog Man Studios

Worked privately with FrooxEngine to help develop and migrate the game engine graphics & logic code from "ProtoFlux" to "LogiX". Focused on prototyping, coding, troubleshooting, private collaboration, and handling legally licensed code. Promoted LogiX, tutored, trained, and mentored future team members and moderators. Ran an open call push-chain when shipping patches and testing, and assisted with C# and game development in open-ended co-work through the platform transition.

Founder — EmmiCO (3D & Commissions)

Feb 2020 – May 2023

EmmiCO Systems · Fiverr Contracts & Commissions · Pittsburgh, PA · Remote

Self-established studio building custom 3D modeling commissions and virtual content. Delivered contracted 3D work through Fiverr using Unity, the VRChat Creator Companion SDK, Blender, VSCode, and the Meta Quest SDK / Quest 3 Pro headset.

Non-CDL Local Delivery Driver

Feb 2023 – Jul 2024

Paragon Foods — Sysco

Ran delivery routes efficiently, meeting or exceeding route times in all weather and visibility conditions. Handled pallet jacks, electric jacks, dollies, and gate lifts; performed pre- and post-trip inspections per PA DOT regulations and Sysco policy. Frequently lifted, pushed, or moved product 1–75 lbs (up to 100 lbs).

Prepared Foods Associate

Oct 2023 – Dec 2023

Giant Eagle, Inc.

Maintained food safety and hygiene routines, temperature checks, and code-date procedures. Handled stocking, merchandising, customer service, cashier duties, and phone orders. Served alcohol under a certified PA restaurant serving license.

Technician (Seasonal)

May 2023 – Aug 2023

Perfect Power Wash

Power washed walls, treated roofs, concrete, and fences for commercial and residential customers. Pulled inventory, loaded trucks, set up equipment, and navigated a light box truck through urban, residential, and interstate traffic.

Appliance Retailer
Mar 2023 – Apr 2023

The Home Depot

Assisted customers in selecting large and small appliances, located product, and adjusted product displays.

Mobile Expert
Jun 2022 – Dec 2022

OSL Retail Services

Educated buyers on mobile devices and carrier plans, sold phones, accessories, and prepaid cards, and monitored device inventory. Registered, set up, and troubleshot phones and plans.

General Utilities Associate & Food Prep
Jul 2020 – Jun 2022

Applebee's Neighborhood Grill + Bar

Kept a clean and orderly environment per Safe-Serve protocols, prepared food, cleaned plates and cutlery, and managed supply placement and quantity.

SKILLS

Engine & XR

Unity 3D · C# · ProtoFlux / LogiX · VRChat Creator Companion · Meta Quest SDK · Spatial UI/UX

Systems & Code

PleX Code (language design) · Compiler / memory management · Python · Node.js · Git & GitHub · Bare-metal concepting

Creative

Blender · 3D Modeling · VRChat world building · VTuber production · Live streaming · Community management

Operations

Logistics & delivery · Route optimization · Inventory management · Customer service · Food safety · Team mentoring
